

A One Health EJP conference

Collaborating to face future One Health challenges in Europe

MUSEUM OF NATURAL SCIENCES, BRUSSELS
19-21 JUNE 2023 - hybrid format

During this **three day conference** we will reflect on the future of One Health with a particular focus on Europe, together with high level speakers from influential organisations and institutions.

We will also discuss the impact achieved by the One Health EJP during the five years of its existence.
